

Audio Stands

Adjustable Speaker Stand

32mm heavy duty tripod speaker stand, adjustable between 1200mm and 2000mm.

Fixed speaker stands are available.

Mono Poles available to sit between our Subs and Tops

Boom Arm Microphone Stand

Fully adjustable boom arm microphone stand, available as tall or short

Table Top Microphone Stand

Table top microphone stand with a weighted base for extra stability. Ideal for conferences, interviews or DJ's.

Stereo Bar

Adjustable bar that connects to your microphone stand to allow two microphones to be used on a single stand.

Hanging clamp for speakers

Hanging clamps are available to fit our speakers allowing speakers to be flown from venue bars, truss or large wind up stands. Contact us for more information.
