

Cable Ramp

We carry large stocks of cable ramp to ensure that all your cable can be laid out and protected whether you need to protect a single cable in a hotel suit, multicores going to front of house at a festival or heavy duty multichannel to run mains cable we have it covered. Our stocks include DDA compliant ramps allowing for wheelchair users to easily cross over cable route.

1M Simple drop over cable ramp
(ideal for indoor use in hotels)

1M, 2 Channel pedestrian ramp
(can take light traffic vehicles)

Adam Hall Defender Midi 5 Channel Ramp

Adam Hall Defender DDA 5 Channel Ramp
DDA ramp can be integrated with standard Midi
